OPERATION – ETO CHRISTMAS ELVES

“Become part of ETO’s Annual Holiday Service Project”

Each year, ETO Martial Arts and Fitness celebrates the holidays by hosting a service project to provide assistance to special families. This year ETO has adopted a special family consisting of a father (blind), mother (disabled) and 7 year old son. ETO is collecting gift cards for them. If you would like to help, please sign up at the front desk. Gift cards are due by Saturday 12/16. This will allow the family to shop for needed items prior to the Christmas Holiday. Thanks so much for your support!
